

**PROJECTS THAT MAY NOT QUALIFY FOR NC FUNDING, BUT MAY BE ACCOMPLISHED USING OTHER RESOURCES** (for example, coordinating with Parks or other County departments, EcoAction Arlington, Master Gardeners, Master Naturalists, Scout troops, school groups, neighborhood volunteers)

**Summary of Questionnaire Responses appears below.** In January 2019, the GCA Executive Committee selected the highlighted project for a pilot using resources other than Neighborhood Conservation funding. This pilot, in addition to the 4<sup>th</sup> St S Street Improvement Project (which is again a possibility for 2019 funding) will be the GCA Neighborhood Conservation priorities for 2019.

#	Past GCA Meeting Suggestions	Top 3 Priorities			
		#1	#2	#3	Tot
1	Build a shed behind Carlin Hall for shared use by GCA, community gardeners and preschool. Shed would replace current shed, provide additional storage space and be historically consistent with Carlin Hall design.	7	1	2	10
2	Develop a gathering area at Carlin Hall with benches and tables.	5	6	1	12
3	Additional street lighting all around the block including Carlin Hall and the library.	6	2	2	10
4	Historical signs around Glencarlyn.	4	1	8	13
5	Develop walking tour centered on the historical signs and include the information in a brochure and on our website.	2	6	2	10
6	Get signage around the George Washington marker in the park.	2	2	3	7
7	Build a sand box for the preschool.	0	1	2	3
8	Develop a cemetery walkway.	0	3	2	5
9	Replace chain link fencing around Carlin Hall.	3	1	3	7
10	Build a new gate between the library and Carlin Hall.	0	3	1	4

#	Recently Suggested Environmental Projects	Top 3 Priorities			
		#1	#2	#3	Tot
1	S Kensington St –north end – remove invasive bamboo, clean up, replant with natives, provide access to east-west path along south side Route 50	2	3	5	10
2	S Kensington St –south end- invasive plant management, replant with natives, make attractive, help headwaters of Salamander Creek	2	3	2	7
3	<b>First St S – dead end at east end by park – eyesore, clean-up, replace with attractive landscaping</b>	<b>4</b>	<b>2</b>	<b>5</b>	<b>11</b>
4	Second St S – east end by park – storm water management, erosion control, revegetation, make attractive	1	2	2	5
5	Fourth and Fifth St S – parking lot at east end – re-imagine; environmental enhancements	2	3	3	8
6	Sixth St S – south side - replant with natives along fence and guard rail; improve Nature Center trailhead appearance	1	0	1	2
7	Sixth St S – east end - neighbor expressed storm water management concerns	2	0	0	2
8	Harrison St - island in cul-de-sac – replant with natives, improve appearance, help storm water management	2	1	2	5
9	Kenmore fields – wooded area at west end –non-native and overgrown vegetation, insect infestation, “social path” for students, dumping of trash and soil, drug-related items, questionable activity due to limited visibility	5	3	0	8
10	Fourth St S – entrance road into park – illegal dumping and trash	2	2	3	7
11	Near Second St S/Jefferson St park entrance – Carlin Springs historic site – 2 springhouses - trash accumulation around site; one springhouse largely filled in with flood debris, trash; historical marker looks eroded/vandalized on one side	2	5	2	9
12	VHC Urgent Care Center grounds - Moses Ball Spring site - ensure spring is appropriately maintained	3	2	2	7
13	New suggestion: Pave library parking lot – a real eyesore now!	1	0	0	1
14	New suggestion: All of 4 <sup>th</sup> St S needs paving.	0	1	0	1
15	New suggestion: Remove ivy on evergreen trees between Rt. 50 access road (Rt. 50, Manchester to Kenmore Middle School)	0	1	0	1
16	New suggestion: Exercise area in top parking lot [assume this is 4 <sup>th</sup> /5 <sup>th</sup> St parking lot]	1	0	0	1
